

The most exclusive italian label for classical music & opera

The cover art features a close-up of a terracotta bust of a human face in profile, looking towards the right. The bust is light brown and has a textured surface. A red wavy line separates the bust from the background. The background is white with faint, grey musical notation on staves, including notes and rests. The title "CATALOGUE SELECTION" is printed in a large, dark green, serif font over the musical notation.
